

RoHS DECLARATION

This declaration is issued under the sole responsibility of the manufacturer.

Product Family: SL2000

Product Description: POWER SUPPLY

The object of the declaration described above is in conformity with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment, including all applicable amendments AFTER DATE OF MANUFACTURE APRIL 1, 2013.

These substances are not intentionally added but may be present as impurities and do not exceed the maximum allowed value. However, this part may contain lead (Pb), one of the RoHS hazardous substances, as deemed permissible under RoHS exemptions.

Spellman HV bases its knowledge of the substance content of its products on information provided by third parties such as suppliers and test laboratories.

Spellman HV makes no warranties, expressed or implied, and assumes no liability in connection with the use of this information.

A handwritten signature in black ink, appearing to read 'Dan Ryan'.
